

How to Get Started - Purchasing a Quest or Plan

We have several different pricing plans for you to choose from. To see them, click **Book Your Adventure** from the main menu bar and then select **Quest Plans and Multipacks**.

Your window will change to show you the different plans and prices. Note: All purchased quests can be used for either a Zoom quest or an in-person quest, so feel free to use them how they work best for you.

- A single quest is good for 1 quest. You have 6 months from the date of purchase to use it.
- The 3 quest multi-pack, what we call a *Mini-Trek*, is good for any three quests. You have 2 months from the date of purchase to use all three.
- The 5 quest multi-pack, what we call the *Complete Journey*, is good for any five quests. You have 3 months to use all five.
- The *One Time Free Quest* for **New Members** is one you should already be familiar with, as you signed up for it when you created your account. It is valid for one month and can only be used once.
- The *Adventurer's Pass* is a monthly membership. While it may appear a bit pricy at first, it offers key benefits to the member:
 - access to an **unlimited** number of classes in the month; and
 - access to the **Adventurer's Lounge** area, which includes additional resources, including recorded ATM (Awareness Through Movement) classes that can be used at the pass holder's convenience, and a forum for discussions.

All prices are subject to GST, but not PST.

Since classes are offered several times a week, and sometimes more than once in a day, the *Adventurer's Pass* is by far the most economical way to participate in the Awareness Through Movement® quests. If you participate in the quests regularly, you can reduce the cost of a quest (class) from \$15 a class to \$3 or \$4 each. Now that is quite a deal!

The Adventurer's Pass are automatically charged each month, on the day of the month that you made your purchase. **There is no minimum number of months and the plan can be cancelled at any time for any reason. If a monthly plan is cancelled before the month is up, quests attended will be charged at \$15 per quest. The remainder of any money paid for that month will be refunded.**

Note: When purchasing a multi-pack, you don't need to worry about when you choose to book the quests. If you want you can book them all on the same transaction, or you can book one at a time during the period they are valid. They act as tokens in your account. Each time you book a quest, one token is used. When you have one token left, you will receive an email reminding you that you are down to your last token. That way you can decide if you want to purchase another plan at that time or sometime in the future.

Once you have decided which plan you wish to purchase, click on the **Select** button for that plan. This will take you to the **Checkout** window, that you saw when you collected your One Time Free Quest.
